EXPERIENCE

Solutions Engineer

Datadog

📅 May 2020 – Present 📍 San Francisco, CA

- Respond to client requests on fast paced team while continuing to educate clients on use of the platform.
- Reproduce issues and dive into the 400+ integrations that Datadog works with.
- Build out documentation and knowledge based articles for a variety of technology.

Developer Advocate

Transposit

📅 June 2019 – October 2019 📍 San Francisco, CA

- Launched sample apps and blog posts, and worked with individuals to inspire and promote adoption of platform.
- Managed, and spoke at developer events to create relationships between users and partners.
- Optimized documentation, and built landing pages for partner integration and collaboration.

Teaching Assistant

Yale School of Management

📅 August 2018 – December 2018 📍 New Haven, CT

- Taught fundamentals of Agile Project Management and Scrum.
- Assisted MBA candidates in building Model, View, Controller based web apps using JavaScript, HTML, and CSS.

Developer Evangelist Intern

DocuSign

📅 May 2018 – August 2018 📍 San Francisco, CA

- Worked with product, engineering and marketing to find ways to improve and spread the developer on-boarding experience.
- Organized hackathon attendance and participation to spread API specifications SDK to new users to build creative applications.
- Designed and wrote teaching content for DocuSign's booth at Dreamforce 2018 on the use of DocuSign for Salesforce API.

Co-Chair

Yale Spring Fling

📅 May 2017 – May 2018 📍 New Haven, CT

- Led production of Yale's yearly music festival of 7,000+ attendees.
- Managed committee of 20 members to oversee all aspects (Marketing, Operations, Sponsors, Hospitality, Talent).
- Worked with budget, administration, and New Haven government to ensure a smoothly running event.

"A lot of hacking is playing with other people, you know, getting them to do strange things."

Steve Wozniak

PROJECTS

App Demos for Twilio SIGNAL

Built the line of sample applications to show of platform to developers at Twilio SIGNAL.

Spoke to audience about webhooks

Gave a talk to an audience of 30 people regarding good practices when using webhooks in Slack
